EXIN

EXIN is an independent, worldwide IT examination provider with more than 40 years of experience. It's EXIN's mission to improve the quality of the IT sector, the IT professionals and the IT users, by means of independent testing and certification. EXIN offers learning tracks, which give ICT professionals the appropriate competencies and skills to improve their job performance. EXIN is specialized in establishing educational requirements and developing examinations for all major areas in Information Technology. Exams in IT Service Management are available in over 10 languages.

In examining candidates EXIN makes use of high quality, web-based technology. EXIN has already certified more than 350,000 IT-professionals world-wide. Partnerships with international Agents and with over 400 Authorized Examination Centers enhance the accessibility of EXIN's independent examinations.

EXIN is based in The Netherlands and employs 90 staff members. There are regional offices of EXIN in Boston, Kuala Lumpur, Tokyo, Melbourne, Madrid, São Paulo and Naples. In addition, over 400 professionals in IT, work for EXIN on a part-time basis.
